Downtown Revolving Loan Fund (RLF)

Overview

The Stoughton Redevelopment Authority's (RDA) downtown Revolving Loan Fund (RLF) was created to assist businesses and commercial property owners with building rehabilitation (interior and exterior), building construction, and furniture/fixtures/equipment. It is funded by Tax Increment District #4.

Eligibility

Businesses and mixed-use properties within the program boundary area (see map on the opposite page) are eligible for a loan up to \$50,000.

Projects may include:

- Interior remodeling (electrical, plumbing, walls, fixtures, HVAC, etc.);
- Working capital;
- Furniture/fixtures/equipment (computers, desks, tables, appliances, etc.);
- Exterior façade work (windows, tuckpointing, siding, awnings, etc.); and
- New building construction. Single properties may be eligible for more than one loan. For example, each business in a multi-tenant building may apply, and the property owner may also apply to remodel second floor residential or office space.

The following activities are ineligible for RLF assistance and/or cannot count towards the applicant match:

- Single family homes;
- Multi-family residential structures that have no accompanying commercial space;
- Refinancing/consolidation of debt from other sources;
- Reimbursement for expenditures or binding financial obligations incurred prior to loan approval;
- Equipment that is not essential to business operation; and
- Routine maintenance.

RLF funds may not be used for real estate transactions, but real estate may be part of a larger project that includes eligible RLF activities. For example, an applicant may purchase a property and invest \$100,000 in building rehabilitation and equipment and apply for up to \$50,000 of RLF assistance.

Speculative investment companies, real estate investment companies, lending institutions, gambling operations, and private recreation facilities are not eligible to submit an application.

Loans are fully amortizing up to 60 months at a fixed interest rate of 3.0%. Applicants can also choose to have 6 months interest only payments followed by principal and interest payments of up to 54 months.
